

Distribution of Banks by Group as of 30 September 2017

The BNB Banking Supervision Department groups banks in view of outlining the dynamics of processes in the banking system. This grouping does not entail any rating element, and should not be interpreted as rating banks' financial position. Assigning banks to groups is done based on the amount of their assets and is changed as of the end of each reporting period. The first group consists of the largest 5 banks, the second group comprises all the remaining banks, and the third group comprises the branches of foreign banks in Bulgaria.
