o/w loans other than overdraft to Sole Proprietors, volume	9.3	9.3	4.9	-47.4	-47.7
***Overdraft*[2]**, interest rate on outstanding amounts	13.43	13.47	13.50	0.07	0.03
of which credit card credit[5], interest rate	21.11	21.61	21.56	0.45	-0.05

[1] The interest rates are effective annual rates. They are average weighted with the volumes of new business throughout the reporting period or the outstanding amounts as of the end of the reporting period.

[2] Interest rates and volumes on new business and on outstanding amounts for overdraft coincide.

[3] The *Households* sector also includes the *Non-profit institutions serving households (NPISHs)* sector. Data on *consumer loans* and *loans for house purchases* refer to the *Households* sector only.

[4] The APRC comprises all the interest payments on a loan, as well as all fees, commissions and other charges a client must pay in order to obtain the loan.

[5] Extended Credit Card Credit.

* For comparison purposes the new business volumes and the outstanding amounts on loans and deposits agreed in BGN have been added to those, agreed in EUR for periods prior to January 2026. The interest rates have been average weighted with the respective new business volumes/outstanding amounts in BGN and EUR.

** Changes in volumes are expressed in percentage.
